

Apprenticeships New Anglia Activities during Apprenticeship Week 7th Feb- 13th Feb

Monday 7th February: National Apprenticeship Week launch.

Tuesday 8th February: #AskAnEmployer – we will have several members of our team active on social media from 12-2pm, ready to ask questions that people may have regarding Apprenticeships.

Wednesday 9th February: #AskAnApprentice – similarly to the Tuesday, but this time we will have some of our own apprentices answering any questions between 12-2pm.

Thursday 10th February: We will be thanking the people/organisations that have worked alongside us in order to make Apprenticeships so accessible to young people in Norfolk and Suffolk.

Friday 11th February: We will be showcasing some of our apprentices' biggest achievements and successes to show people what they could emulate!

Saturday 12th February: We will be posting some pre-made content aiming to inform parents and carers about the benefits of Apprenticeships and why they would be right for their child.

Sunday 13th February: #SelfieSunday – keep your eyes peeled as we are going to upload a big team selfie, so you can (virtually) meet our team!
